Niagara County, NY--Elizabeth Gallagher requests phone calls to smokers and restaurant owners urging them to attend a 12/5 presentation to the board of health about a possible smoking ban in restaurants. There is no public testimony but a crowd of supporters would really help.

Hopkinton, MA--The board of health has passed on 11/19 a very strict smoking and self-service display ban. Despite pleas from restaurant owners and retailers, the ordinance requires separate ventilation in restaurants and in all workplaces if smoking is allowed. Also, included was a total vending ban. This was a done-deal from the beginning.

Santa Barbara, CA--Unless there is a last-minute delay, John Hoy requests calls to Santa Barbara City retailers encouraging them to attend the 12/3 meeting of the city council where a self-service display ban will be voted on. John also will be provided flyers for RJR Sales and Field staff to distribute. He requests followup calls to begin on Friday.
